## Remember Me

Remember me when flowers bloom  
early in the spring,  
Remember me on sunny days,  
In the fun that summer brings.

Remember me in the fall  
As you walk through the leaves of gold  
And in the winter, remember me  
in the stories that are told.

But most of all - remember  
Each day, right from the start,  
I will be forever near,  
For I live within your heart.
